## TUXEDOS TRIM THE BRILLIANTS

HIGH MARKS.

It certainly was a battle royal between the two leading teams in the Salt Lake Bowling league last evening. The word had been passed around that the Brillants and Tuxedos were out for blood, and a large crowd of bowling enthusiasts were out to see the slaughter. It happened, as far as records are concerned, and when the fray was over the boys had taken a fall out of the league leaders to the extent of winning two out of the three games. This ties the Herald championship trophies, and several records were cast aside for higher marks during the excitement.

First of these was the high single score of 245 by McLeod. In the former McLeod started out with a spare, then came four strikes, a split and four strikes, ending with a spare.

Gamble broke the individual record for three consecutive games with a total of 623 points, beating the former record of 620, also held by Young.

This gives Gamble an average of 211 for the three games, which is hard to beat in any man's country.

Then, in order to keep the record-breaking streak, the whole Tuxedo team took a fall out of the team record for three games, held by the former. The former mark was 2,700, and this was beaten 70 points last evening. The Tuxedos also won a single game, with an average of 20 3-15, which is going some. The scores:

## THE BEST DISINFECTANT OF ALL IS SUNLIGHT.

It destroys by its very brightness all sorts of germs and at the same time helps the growth of plants and animal life. Doubtless all have noticed that mould grows during the night and in dark, damp cells. Bright sunlight quickly destroys germs, mould or other organisms. That is why it is best to let the sunlight into your houses for its purifying influence.

At the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., Dr. Pierce, chief consulting surgeon, started experiments some three years ago, with the Finlen light in conjunction with the X-ray in the treatment of diseases. He got excellent results therefrom, and was among the first to adapt this remarkable cure to many cases which were formerly pronounced incurable. It is now being used in the treatment of many diseases, and is being used in the treatment of many diseases, and is being used in the treatment of many diseases.

Not only is Dr. R. V. Pierce notable for his surgical achievements at his hospital in Buffalo, but nearly a third of a century ago he discovered certain roots and herbs which were nature's remedies, and succeeded in putting them up in a form that would be easily procured and ready to use. This he called Dr. Pierce's Golden Medical Discovery. It maintains the patient's nutrition by enabling him to eat, retain, digest and assimilate nutritious food. It overcomes gastric irritability and symptoms of indigestion, and in this way fever, night-sweats, headaches, etc., are done away with. It fortifies the body against the germs of consumption, grip and malaria, it builds up the tissues and puts on healthy flesh.

Those desiring to know something about the body in health and disease, also medicine and surgery, without technicalities, should read the "Common Sense Medical Adviser," which can be had for 31 cents in one-cent stamps for the cloth-bound book. Address Dr. R. V. Pierce, Buffalo, N. Y.

## COACH MADDOCK SHIFTS LINE-UP OF 'VARSITY TEAM

Coach Maddock is changing somewhat the line-up of his team. "Caddy" Russell, the famous end, is being tried out for half back, and, according to the coach, is being displaced by Russell, is practicing end. This shifting of men greatly strengthens the back field, as Russell is a heavy and fast man. Pitt should make a good end, as he is a hard tackler and is the fastest man on the team.

Republicans Hire All Halls; Democrats Give Support.

The Democrats of Huntsville have the laugh on the Republicans. The way they turned the tables last night. The Republicans, in order to prevent the Democrats from holding a meeting, engaged both the amusement halls and the Rock school house, giving them all three of the halls in the town. They then arranged a meeting in one of them. The Democrats, finding that they could not get a meeting, prepared a supper at a private house, inviting everybody in Huntsville. ## 'VARSITY PREPS TO PLAY PARK CITY AGGREGATION

The university "preps" not content with the high schools of the state, are seeking new honors. They have arranged a game with the Park City Minors, to be played in that mining camp next Saturday. The "prep" team has been practicing all the season and is quite strong. The preps defeated the East Side High school twice within the last two weeks, which means a great deal when one considers the kind of ball that the East Side High school played against the Park City Minors last Saturday at Walker's field.
